## To the READER.

**H**AD not Titles of Auctions been look'd upon for the most part as words of course, I should have said nothing by way of Preface, and only mentioned the Conditions of Sale. But promising so much out of Pensioner Fagel's and Mr. le Moyne's Libraries, I thought it necessary to let you know, that there are numbers of very choice Books out of them both, very lately brought over from their Auctions which were held last Summer in Holland.

Many of Mr. Le Moyne's Books are, not only here and there, marked, but there are large References and Additions in many of them, up and down almost in every Page, which will be extremely Acceptable to all those who know Mr. Le Moyne, that is to all the Learned.

That Learned Person who Collected the rest of the Books, has shown his Skill sufficiently in Gathering so many excellent Editions of the best Roman and Greek Authors, of the Editions of Aldus, Stephen, Elzevir, &c. I need say no more, and I am sure what I have said already, will be justified by all those who shall read this Catalogue. Those whose Convenience will not permit them to be present at the Sale, may please to send Commissions, which shall be Faithfully executed by, Gentlemen,

Your Humble Servant

John Bullord

Bookseller in St. Paul's Church-yard.
